The Turning Point

Read the conversation below. Pay attention to what the customer says, how the agent responds, and the moment the conversation starts to go off track.

Customer	Hello. I called yesterday about my service request, but I still haven't received an update. Can you check what's happening?
Agent	Sure. Let me check your record.
Customer	Thank you. I just need to know what is happening. I've already spent time on this.
Agent	Okay. Please hold.
Customer	Can you tell me how long that might take?
Agent	Just a moment.
	The agent puts the customer on hold.
Agent	Thank you for waiting. I checked the record, but I don't have a new update to share right now.
Customer	So what am I supposed to do? I called yesterday, and now I'm calling again.
Agent	You will need to wait for an update.
Customer	But that's what I was told yesterday. I still don't know what happens next.
Agent	I understand. Is there anything else I can help you with?
Customer	No. Not really.
	The call ends.
